

Snap! Card 07

# 7. Dance Twist

1. Select the file symbol and select **Costumes**. Replace the turtle select a human character (for this example I used Jay).

```

when d key pressed
  repeat 5
    play sound Laugh Male 1
    change whirl effect by 50
    wait 1 secs
    change whirl effect by -50
    wait 1.25 secs
  clear graphic effects

```

2. Chromebooks or some Desktops cannot import or drag over from downloads into the sounds tab so you would have to select the file symbol and select **Sounds** to upload a default sound file.

3. If you are using a laptop or desktop you can drag and drop sound files directly into the sounds tab.. Select under magenta **Sound** two **Play sound** and select the imported sounds.

4. Select under yellow **Control** selecting **when key is pressed** and change the value to **d**. Select under purple **Looks** the **change whirl effect** and use the blocks on the left.

<https://snap.berkeley.edu/> and choose **Run Snap!**

Make A Card

1. Fold the card in half.

2. Put glue on the back.

3. Cut along the dashed line.
